

# AUTISM SPECTRUM DISORDER WEBINAR

## ASSESSMENT & MANAGEMENT OF ASD IN TRANSITIONAL-AGE YOUTH AND ADULTS

The Michigan Department of Health and Human Services (MDHHS) is pleased to present *Assessment & Management of Autism Spectrum Disorder (ASD) in Transitional-Age Youth and Adults*. This webinar will provide an overview of the best practice methods and tools for assessing and managing autism for transitional-aged youth and adults, including discussing common comorbidities, reviewing diagnostic and management challenges, and presenting methods for guiding individuals and families through the transition to adulthood.

By attending this webinar, participants will be able to:

1. State common needs of transitional-age youth and adults with autism.
2. Explain the components of the best practice diagnostic process and the use of standardized assessment tools in autism spectrum disorder evaluation in transition aged youth and adults.
3. Recognize three common comorbid conditions in transitional-age youth and adults with autism spectrum disorders.
4. Share effective and helpful methods for guiding individuals and families during the transition to adulthood.

### TRAINING INFORMATION

Date: Tuesday, Aug. 5, 2025

Time: 9 a.m.-noon

Location: Virtual via Zoom

Register: [Register](#)

This course is approved for 3.0 American Psychological Association and Michigan Social Work Continuing Education Collaborative continuing education (CE) hours. Participants must attend the full session, complete the post-training survey, and use the same email address for registration that is used on the post-training survey to obtain the CE certificate.

### SARAH MOHIUDDIN, MD & KARA BROOKLIER, PHD

Dr. Sarah Mohiuddin, M.D. is an Assistant Professor at the University of Michigan and serves as the Director of Multidisciplinary Autism Program. She also serves as the Training Director of the Child Psychiatry Fellowship Program and the Co-Director of the Behavioral Science sequence at the University of Michigan School of Medicine.

Dr. Kara Brooklier has been a practicing pediatric neuropsychologist (licensed psychologist) for over 20 years. Her specialization is in evaluating and treating neurodevelopmental disorders. Dr. Brooklier maintains private practice offices in the Rochester Hills and Grosse Pointe communities and is on clinical training faculty at Children's Hospital of Michigan and Wayne State University Department of Psychiatry & Behavioral Neurosciences.
